## GCDGA Division 1 Pennants

Our team lost the Grand Final against Surfers Paradise 4 ½ - 2 ½ last Sunday. It was a great day with many members coming along and supporting the team. I am sure the guys appreciated the great support.

Congratulations to all players getting to the final, there is always next year to bring back the flag!

**We would like to thank Watson & Fenton Accountants for their great sponsorship.**

## Have you noticed the changes in the Casino Bar area?

As all clubs in NSW have to comply with the new non smoking regulations from the 1<sup>st</sup> July, the club is in the process of building an outdoor lounge area. This will extend out from the present entrance to Danny’s and there will be movement of some poker machines and more seating available for members and guests.

The renovations are well underway but as the builders need to work around patrons, progress is slow. Hopefully we will see completion by the end of May.

Please bear with us as the end result should be a real asset and will take advantage of the beautiful river views.

## COURSE MATTERS

The weather has well and truly cooled now and the grass growth has slowed down which allows some other works to take place. The tree pruning program has commenced and as mentioned previously this will be ongoing throughout winter. Part of this program will include the continuation of our “rogue” tree removal which are trees (normally Figs) that are growing so rapidly that they are affecting the growth of more desirable species and producing damaging root systems.

The installation of a geofabric material and new sand to two bunkers at 14<sup>th</sup> River green will take place starting Monday April 30.

## Extensions to Buggy Shed

As you can all see on the way into the club, the buggy shed is looking bigger and better all the time.

Hopefully all members who have taken up the offer for a buggy spot will be in there by the end of May, if not sooner!

## Sunday Mixed Knock Out Event
