Do you know the reason why the entry road near the 17th West tee was blocked off for 3 hours recently?

Answer: Energex moved the **Osprey nest** higher up the telegraph pole so it will be further away from the live wires.

Did you know the Osprey's will continue to use the nest if raised higher but if the nest is moved too far sideways they usually stop using it and will build another nest. It is now all ready for Spring!

NEW FACES

Have you met some of the new staff, please make welcome Susan, Evin, Hamish, Shae and Mark, who have all commenced working at the club in the past few weeks.

Also in the Pro Shop there is a new employee, Chris Lee. He is 27 years old, married, originally born in Korea and now an Australian citizen. He has just completed a Sports/Golf Management degree at Griffith university and is now completing his 3rd year of a PGA Traineeship here at CTHGC before becoming a full member of the Australian PGA.

If you are wondering where Betty (Bigbird) has been lately, unfortunately her husband is very ill and she is at home looking after him. Our thoughts are with both Jeff and Betty and hopefully we will see Betty return to the Golfers Lounge to tell a few more “interesting jokes” in the not too distant future.
